## **I. JURISDICTION and BRIEF SUMMARY OF THE CASE**

*Counsel shall specifically set forth the jurisdictional basis of this action, as well as a brief summary of the claims and defenses.*

This Court has subject matter jurisdiction over this civil action pursuant to 28 U.S.C. § 1332 (diversity) because the parties are citizens of different states and the amount in controversy exceeds \$75,000, exclusive of interest, costs, and attorney fees.

This case was filed on July 21, 2021. It arises out of video and social media statements made and published by defendant in November 2020 that accused plaintiff of transporting a gun from Virginia to New Jersey, planting the gun in his house, and then conspiring with her daughters "L" and "J" to frame defendant for a weapons crime, as shown on YouTube and Facebook:

*In addition to transporting, "the gun" up from Virginia and planting it for police to find while Andrew Burki was out of the state, Claire LaRoche, Esq. coached both of her daughters on how to frame Andrew Burki in police statements. . . . [YouTube 11/25/2020]*

*The following evidence irrefutably shows that [L], 'orchestrated' the fraudulent gun charge along with Sarah Babaa and her mother Claire LaRoche. The four videos contain police interviews regarding the fraudulent gun charge with three of our neighbors and [L]'s sister, [JJ]. In the nearly one hour of police audio turned over during discovery from the Collingswood Police Department, [L] is never asked a single question about the gun. Additionally, strong evidence was suppressed from both the grand jury and multiple judges which indicates that Claire LaRoche drove the gun up from Virginia for the purpose of framing me. [Facebook 11/28/2020]*

Plaintiff sues for defamation, false light, and tortious interference with prospective economic advantage. Plaintiff seeks presumed, compensatory, and punitive damages, as well as pre- and post-judgment interest, reasonable attorney fees and costs, equitable relief to take down and retract the alleged defamatory statements, and for any other and further relief as the Court deems just and proper. Defendant denies liability on the grounds that the alleged defamatory statements were true, that he did not make them with requisite fault (negligence or actual malice), and that plaintiff did not suffer damages.

Defendant counterclaims for violation of New Jersey and federal wiretap laws<sup>1</sup> and invasion of privacy in connection with an April 2021 recording of himself, minor "S" (the son of defendant and L, and grandchild of plaintiff), and a third-person. Defendant seeks compensatory, punitive, and statutory damages, as well as reasonable attorney fees and costs incurred with respect to the wiretap claims, and for any other and further relief as the Court deems just and proper. Plaintiff denies liability on the grounds that defendant had no reasonable expectation of privacy, that any recording was consented to, vicariously, by S because plaintiff and L were concerned for S's safety and security, and that defendant did not suffer damages.

## **II. STIPULATED FACTS**

*Stipulated facts shall be set forth in numbered paragraphs.*

### **Background**

1. Plaintiff is and has been a resident of Virginia.
2. Plaintiff is the mother of adult daughters L and J and grandmother of a minor child, S, born between L and defendant.
3. Defendant is and has been a resident of New Jersey.
4. In November 2001, assault charges were brought against defendant for threatening a female and kicking another male in the face.
5. In December 2001, defendant was convicted of disorderly conduct, threats against life/property, simple assault, and summoning an ambulance/emergency vehicle when none was needed.
6. In 2002, defendant was convicted on federal charges for uttering or possessing counterfeit securities.

### **Family and Domestic Violence Matters**

7. In 2014, defendant and L married, and in 2016 bore a child, S.
8. On February 3, 2020, New Jersey police arrested defendant and charged him with three counts of sexual assault, two counts of aggravated assault domestic violence, and one count of illegal possession of a high-capacity magazine firearm.
9. Defendant spent 74 days in jail, and, on April 17, 2020, he pled guilty to a single count of fourth-degree criminal coercion for making threats against L. The original charges against defendant were dismissed with prejudice.
10. On July 10, 2020, the Superior Court of New Jersey sentenced defendant to time served and three years of probation on the conditions that he have no contact with L, that he complete anger management and batterer's counseling, that he abide by all child custody orders, and that he not be allowed to own, possess, or purchase a firearm.
11. In February 2020, temporary and final domestic violence restraining orders were entered against defendant.
12. In February and July 2020, online newspapers, including the Philadelphia Inquirer, South Florida Sun Sentinel, and NJ.com, wrote stories about the criminal and domestic violence matters involving defendant.
13. In June 2020, defendant initiated divorce and child custody proceedings against L, which culminated in a trial and then judgment in June 2022, which is currently on appeal.

### **The Alleged Defamation**

14. In November 2020, defendant made and published video and social media statements that accused plaintiff of transporting a gun from Virginia to New Jersey, planting the gun in his house, and then conspiring with her daughters L and J to frame defendant for a weapons crime, as shown on YouTube and Facebook:

*In addition to transporting, "the gun" up from Virginia and planting it for police to find while Andrew Burki was out of the state, Claire LaRoche, Esq. coached both of her daughters on how to frame Andrew Burki in police statements. . . . [YouTube 11/25/2020]*

*The following evidence irrefutably shows that [L], 'orchestrated' the fraudulent gun charge along with Sarah Babaa and her mother Claire LaRoche. The four videos contain police interviews regarding the fraudulent gun charge with three of our neighbors and [L]'s sister, [J]. In the nearly one hour of police audio turned over during discovery from the Collingswood Police Department, [L] is never asked a single question about the gun. Additionally, strong evidence was suppressed from both the grand jury and multiple judges which indicates that Claire LaRoche drove the gun up from Virginia for the purpose of framing me. [Facebook 11/28/2020]*

15. Defendant made and published these statements from New Jersey.
16. These statements remained on the internet until, at the direction of a state court judge, defendant made them non-public, non-viewable after October 2021.
17. Defendant tagged these statements with the same online newspapers that had reported on his criminal and domestic violence matters, including the Philadelphia Inquirer, South Florida Sun Sentinel, and NJ.com.
18. Defendant posted links to these statements on Twitter.
19. It would have been unethical under the alleged circumstances for plaintiff, a lawyer, to be involved in planting a gun on defendant and framing him for a crime. *See Va. R. Prof. Conduct 8.4.*

#### The Gun

20. The gun for which defendant was arrested in February 2020 was defendant's father's hunting rifle that had been given to defendant in 2017.
21. Defendant never saw the gun in Virginia.

### **III. EACH PLAINTIFF'S CONTESTED FACTS**

1. Plaintiff intends to prove the following contested facts with regard to liability:

In November 2020, defendant made and published video and social media statements that accused plaintiff of transporting a gun across state lines, planting the gun in his house, and then conspiring with her daughters L and J to frame him for a weapons crime, as shown on YouTube and Facebook with emphasis added:

*In addition to transporting, "the gun" up from Virginia and planting it for police to find while Andrew Burki was out of the state, Claire LaRoche, Esq. coached both of her daughters on how to frame Andrew Burki in police statements. . . . [YouTube 11/25/2020]*

*The following evidence irrefutably shows that [L], 'orchestrated' the fraudulent gun charge along with Sarah Babaa and her mother Claire LaRoche. The four videos contain*

*police interviews regarding the fraudulent gun charge with three of our neighbors and [LJ's] sister, [JJ]. In the nearly one hour of police audio turned over during discovery from the Collingswood Police Department, [LJ] is never asked a single question about the gun. Additionally, strong evidence was suppressed from both the grand jury and multiple judges which indicates that Claire LaRoche drove the gun up from Virginia for the purpose of framing me. [Facebook 11/28/2020]*

In total, these online statements reached hundreds of thousands of people. The statements are defamatory per se: they accuse plaintiff of crimes and acts of moral turpitude, dishonest and unethical conduct, and/or acts that prejudice plaintiff in her trade and profession. The statements were false: plaintiff did not transport any gun from Virginia (or anywhere else) and plant it in defendant's New Jersey house (or on defendant), nor did she conspire with her daughters (or anyone) to frame defendant for a weapons crime. In truth, the gun defendant references was his father's gun that had been given to defendant in 2018 and has remained in his possession or on his property ever since. Defendant made the defamatory statements with actual malice (or at least negligently), knowing them to be false or in reckless disregard for their truth or falsity.

Regarding defendant's counterclaims, defendant did not have a reasonable expectation of privacy during any recording, and any recording was consented to, vicariously, by S because plaintiff and L were concerned for S's safety and security.

2. Plaintiff intends to prove the following contested facts with regard to damages:

The defamatory statements caused plaintiff—a lawyer, college professor, and member of her local Virginia community—reputational injury and other damages. She has suffered embarrassment, humiliation, indignity, mental anguish, and emotional and physical distress. Moreover, plaintiff would have continued to perform well at Longwood University, receiving increased pay and/or a promotion, but for the defamation matter.

Regarding defendant's counterclaims, defendant did not suffer damages.

#### **IV. EACH DEFENDANT'S CONTESTED FACTS**

1. Defendant intends to prove the following contested facts with regard to liability:

2. Defendant intends to prove the following contested facts with regard to damages:

#### **IV (A) Defendant's Contested Facts**

Defendant (AB) intends to show that the statements he made/published were true, substantially true and that he believed they were true.

Defendant intends to prove that the matter which was the subject of the publication was touching upon a matter of public importance or public concern, including the fact the criminal case was published in three major newspapers, as well as the subject of his plea and sentence, his incarceration for false charges and his ultimate vindication on rape and gun charges. AB's sole purpose was to exonerate himself, not to defame the plaintiff, and there was neither intent nor malice underpinning his statements.

Alternatively, defendant intends to establish that the plaintiff was a public or quasi/semi-public figure; a published and distinguished author, law professor, legal scholar and commentator.

Finally, defendant intends to show that the plaintiff suffered no damages, economic or otherwise.

#### **IV (B) Counterclaim Facts**

Counterclaimant (AB) intends to show that on more than one occasion and using more than one electronic listening device "a "wire" as defined by the statutes set forth below, Claire LaRoche and her daughter Liz Burki, planted, concealed and (in one case) installed and actually sewed devices, both in S.B.'s clothing and in his backpack, said devices (a USB) being cognizable as a wire or electronic communication intercept in violation of New Jersey law (N.J.S.A. 156A-2 a through d) *et seq*) as well as Federal Law (18 USC 2511).

Counterclaimant will further show that Claire LaRoche's purpose in so acting was to intercept, eavesdrop and invade the privacy of Counterclaimant's conversations with his son, his friends, his lawyers and other professionals, his parents, his phone calls and other third parties in order to obtain an advantage in the pending divorce and custody trial, and in order to obtain information for use in that proceeding, including, but not limited to Mrs. LaRoche's stated suspicion that Andrew Burki was having an inappropriate sexual or romantic relationship with Lisa Jensen, his then supervisor. Counterclaimant will also show that Ms. LaRoche's actions were unjustified, illegal and in violation of the law, all of which will be partially based on the content of the USB device which AB fortuitously intercepted and offloaded.

Counterclaimant will also show that Claire LaRoche conspired with her daughter, LB to subsequently mislead the Superior Court of New Jersey in the event the wiretap was discovered

- something LB expressly did when she testified before the Hon. Sherri Schweitzer, JSC that she, and not her mother, sewed the wiretap into S.B.'s overalls into the center pocket where it was discovered. The recordings also captured Mrs. LaRoche as she dictated a letter to Mr. Guzzo about their activities and other conduct that contradicts her claims that the USB was necessary to protect S.B.

Counterclaimant notes that in the event he proves his claims, he is entitled to a measure of statutory damages for each instance/violation, both under State and Federal law, as well as an award of punitive damages.

Plaintiff reserves all rights accordingly.

#### B. Defendant

##### 1. Defendant's statement of the legal issues in this case:

#### PLAINTIFF'S DEFAMATION CLAIMS

PLAINTIFF'S CLAIMS AND THE DEFENSE TO THOSE CLAIMS WILL BE FACT SENSITIVE AND WE DISAGREE THAT A SLANDER PER SE DETERMINATION IS APPROPRIATE AT THIS TIME, NOR WOULD THE DEFENSES TO SAME BE AVAILABLE UNTIL TESTIMONY AT TRIAL, E.G. WHETHER PLAINTIFF IS A LIMITED PURPOSE PUBLIC FIGURE OR WHETHER DEFENDANT'S STATEMENTS TOUCH UPON AN ISSUE OF LEGITIMATE PUBLIC CONCERN (E.G. HIS ARREST ON FALSE RAPE AND GUN CHARGES AND HIS PLEA DEAL)

We agree that slander per se does not require actual or special damages. In fact no damages need to be shown. Absent a per se finding, however, a statement is defamatory if it is false, communicated to a third person, and tends to lower the subject's reputation in the estimation of the community or to deter third persons from associating with the subject. *Lynch v. N.J. Educ. Ass'n*, 161 N.J. 152, 164-65, 735 A.2d 1129 (1999).

We disagree with your claim that the statement is defamation per se, which has several exceptions, including statements made with respect to a public concern – his arrest and incarceration for sexual assault and gun charges – Mr. Burki's intent to exonerate himself after the postings in local newspapers you referenced in your Order. We also intend to prove that Mr. Burki's statements were true and that he believed them to be so. Truth is a defense to all forms of defamation, so the question of whether or not the statement published was true and whether or not Claire LaRoche is a semi or quasi public figure must

A statement is defamatory if it is false, communicated to a third person, and tends to lower the subject's reputation in the estimation of the community or to deter third persons from associating with the subject. Lynch v. N.J. Educ. Ass'n, 161 N.J. 152, 164-65, 735 A.2d 1129 (1999).

We also do not agree that merely alleging that Claire LaRoche "transported the firearm to New Jersey" e.g. across state lines is a felony – especially considering the recent decisions in the Third Circuit with respect to who may possess and transport firearms. There is no felony alleged in that part of his statement. And, while providing false information to police is a felony, we contend that Mr. Burki alleged that it was Liz, not Claire, who did that. Ultimately this will be a question of law for the trial judge after the testimony is in.

The basic nature of it is "whether AB believed his statements to be true" and also, "whether or not the statements were objectively true. Whether the statements touched upon a matter of public concern, and whether or not Claire LaRoche could be construed as a limited purpose public figure, as noted in McLaughlin v. Rosanio, Bailets & Talamo, 331 N.J.Super. 303 (App.Div.2000); Costello v. Ocean County Observer, 136 N.J. 594, 612 (1994); Fortenbaugh v. New Jersey Press, Inc., 317 N.J. Super. 439, 455 (App.Div.1999).

#### DEFENDANT'S "WIRETAP" VIOLATIONS ARE DISTILLED AS FOLLOWS:

Under both forms of wiretap act (Federal and State) the proofs are essentially identical:

"It is illegal to intentionally or purposefully intercept disclose or use the contents of any wire, oral or electronic communication through the use of a device."

Therefore, the question presented would be whether or not Claire LaRoche attempted to or did intentionally or deliberately intercepted Mr. Burki's communications through the use of an electronic device – e.g. the USB device that Andrew Burki discovered sewn into his son's overalls, all as documented on the recordings that were discovered in which Ms. LaRoche talks about other recordings and wanting "a few more hours" of recording and will "shut it down".

"Device" is defined as a "mechanical or electrical tool or apparatus," such as the USB device discovered in S.B.'s clothing.

There are no exceptions to either New Jersey or Federal law – good faith or otherwise. We

argue that D'Onofrio is inapplicable.

## **IX. MISCELLANEOUS**

*Set forth any additional stipulations of counsel and/or motions on other matters which require action of the Court.*

*Set forth any notice required to be given under Rules 404(b), 609(b), 803(24) and 804(b)(5), Federal Rules of Evidence.*

1. Plaintiff intends to use evidence of criminal convictions older than 10 years against defendant. *See Fed. R. Evid. 609(b)(2).*

Defendant stipulates to the criminal charges and their disposition above, but objects to their admission as both irrelevant and too remote pursuant to Fed. R. Evid. 608 and 404. The events were 20 years ago.

Plaintiff disputes that the criminal charges and dispositions are irrelevant, too remote, or that all are over 20 years old. Plaintiff intends to introduce the criminal matters to show relevant genuine concern for the safety and security of the minor child "S," not for prohibited character evidence purposes.

2. Plaintiff requests that defendant conduct his direct counterclaims examinations of witnesses called by plaintiff in her case-in-chief following his cross examinations of those witnesses, or in a similar fashion such that witnesses called by plaintiff do not have to be recalled in defendant's case-in-chief. *See Fed. R. Evid. 611.*

Defendant will leave the order of proofs as well as the cross/direct of plaintiff's witnesses on the Counterclaim up to the trial court, but does not necessarily object to presenting the counterclaim proofs during cross examination.

3. Plaintiff reserves the right to call witnesses by remote or phone means if mutually agreed by the parties and approved by the Court for good cause. *See Fed. R. Evid. 611; Fed. R. Civ. P. 43(a) ("For good cause in compelling circumstances and with appropriate safeguards, the court may permit testimony in open court by contemporaneous transmission from a different location.").*

4. The parties agree on providing each other a minimum 24 hours notice of planned witness testimony and whether the witness will be called live, remote, or by deposition, but not the exact order of witness testimony.

5. The parties agreed on deadlines for deposition designations (October 16 for direct and October 23 for counter). *See ECF 137.*

6. Plaintiff advises the Court that the parties have a number of disputes related to trial exhibits that plaintiff, at least, would like resolved before trial in the interest of securing

the “just, speedy, and inexpensive determination” of the trial. *See* Fed. R. Civ. P. 1. This includes the following:

a. Defendant failed to object to each of plaintiff’s trial exhibits pursuant to the instructions for this joint final pretrial order. Plaintiff, on the other hand, provided her specific objections to each of defendant’s trial exhibits. *See* Exhibit 2 (with plaintiff’s specific objections).

b. Plaintiff lodged numerous objections to defendant’s trial exhibits. Excluding the many relevance and hearsay objections, plaintiff objected to defendant’s failure to sufficiently describe and/or identify (e.g., bates number, deposition exhibit number, production date) his exhibits; defendant’s failure to de-duplicate his exhibits (in whole or in part); and defendant’s failure to demonstrate that his exhibits were produced in discovery in this case – simply because an exhibit exists or that defendant used an exhibit in state or other court proceedings does not satisfy defendant’s discovery obligations in this case.

c. Defendant declined to agree on exchanging copies of pre-marked trial exhibits by October 19, 2023, as suggested by plaintiff.

d. Defendant declined to agree on marking exhibits as “Pl. Trial Ex. No.” or “Def. Trial Ex. No.”, as suggested by plaintiff.

e. Defendant declined to agree on providing a minimum 24 hours notice of planned use of demonstratives, providing a copy of same where feasible, both as suggested by plaintiff.

**X. NON-JURY TRIAL (not applicable)**

**XI. JURY TRIAL**

*No later than seven days prior to the scheduled trial date or at such time as the Court may direct:*

1. *Each party shall file a trial brief or memorandum with citations and authorities and arguments in support of the party’s position on all issues of law.*

2. *Each party shall file proposed requests for charges to the jury. Supplemental requests to charge that could not have been anticipated may be submitted any time prior to the arguments to the jury. All requests for charge shall be on a separate page or pages, plainly marked with the name and number of the case; shall contain citations of supporting authorities; shall designate the party submitting same; and shall be numbered in sequence.*

3. *Each party shall file proposed voir dire questions.*

*Copies of filed trial briefs, proposed requests for charges to the jury, and proposed voir dire questions shall also be sent to the District Judge in paper and electronic form (Microsoft*

*Word).*

***EACH OF THESE ITEMS IS TO BE FILED PRIOR TO THE FIRST TRIAL DATE EVEN IF THE CASE IS CONTINUED.***

***COUNSEL ARE ON NOTICE THAT FAILURE TO PROVIDE TIMELY COMPLIANCE WITH THE REQUESTS OF PART X AND XI MAY RESULT IN THE POSTPONEMENT OF TRIAL AND THE ASSESSMENT OF JUROR AND OTHER COSTS AND/OR THE IMPOSITION OF SANCTION.***
